

Everlasting Investment

A man of God once said: "we are who we are and we know what we know now as a result of many people's investment in our lives!" AWT Ministries can look back at the year 2010 and see the result of the spiritual and everlasting investment that each of you has made in our ministry through your support and prayers. We are what we are today because of the great passion that God has set in your hearts for the Arab women in this region.

We know that the words "thank you" may never fully express our gratitude to each and every one of you, but as this year is coming to an end, we pray that the Lord may double the blessings in your lives and continue to make your Jesus-like hearts stronger and stronger to work for His kingdom.

*We rejoice together with thanksgiving for His goodness...
We rejoice together for His everlasting love and mercy...
We rejoice together for we are not alone, but "Emmanuel" has declared:*

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful Counselor, The mighty God, The everlasting Father, Prince of Peace." Isaiah 9:6

Merry Christmas and Happy New Year!

Blessings for a new step

In October 2010, AWT signed a contract to purchase two apartment units to serve as our office and training center. The purchase price of each unit is \$264,285 for a total of \$528,571. To date, the Lord has provided \$267,000 which is 51% of the total cost.

May we proclaim with the voice of thanksgiving and tell of HIS wondrous works! Training space is very important in our strategy to reach more women on the ground. Women that would not come to our training because it is held in churches would be comfortable attending in a neutral location. Our prayer is that it opens more doors and opportunities to share the love of Christ with majority women.

We have posted a proposal on <http://www.awtministries.com/english/newsletter.php> that explains in detail the background and proposed use for the space if you would like more information. Please join us in prayers so that the Lord may continue to bless this new step we are taking for His glory.

Standing in the face of violence...

Under partnership with "Al Amani" association, 6 workshops were held on the issue of raising awareness regarding violence against women. In the Arab culture it is not easy for a woman to share about any abuse performed against her, yet there are few women seeking counseling and help regarding this issue.

Pray for our role with this association and for the financial support of this project so we may be able to be God's healing hands to those wounded women.

Words from the heart The women that are blessed by AWT Ministries wanted to send their gratitude to you for your faithful prayers and financial support:

"Thank you dear donors from the bottom of my heart. "My dear brothers and sisters, always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain" .1 Corinthians 15:58 We do see souls come to the Lord & rejoice. Richest blessings & Merry Christmas. "

Nabila - Jordan

"Dear Donors and Prayer Partners, It is a privilege to have the opportunity to thank GOD first for you and for having you as part of our lives, and also thank YOU for obeying our Lord to support Arab women in many ways. Words can't express our thanks but we can pray for more blessings over your lives from our heavenly Father.

May the God of peace who was risen from the dead, our Lord Jesus Christ, strengthen you so you may continue to do His will and accomplish all that is pleasing to Him through Jesus Christ. Amen."

Manal - Kuwait:

"I've been attending the AWT Network conferences for three years in a row. These Conferences left a positive impact on my life, such as self esteem, self value in Christ and the community, my spiritual and national rights and duties, how to deal with my family along with the great influence on my ministry among women in prison.

I pray that God will bless this ministry for His glory."

Claudette - Lebanon

"Dear Brothers and Sisters in Christ, It was a great privilege for me to attend two Network conferences with AWT. These two conferences were of great blessing to my life and ministry as a member in the body of Jesus Christ, a manager in a Christian Organization and a wife and mother as well. I want to thank everyone who sponsored me; your help and support are much appreciated, as we know that your labor is not in vain in the Lord. I wish you a Merry Christmas and a Happy New Year filled with joy and God's blessings."

Sawsan - Lebanon

"Thank you for your role in building up the Arab families by supporting the ministry of "Arab Woman Today". May God bless you all."
