

"Well done!"

As a father encourages his child for another step taken forward, we look back through 2009 and we hear God with His loving and encouraging voice... "Well done!"

What an honor it is to work for His kingdom, but at the same time; it is a huge responsibility. That's why we need the support of brothers and sisters around us. We would like to say a big "THANK YOU" from the bottom of our hearts to all our prayer supporters and partners for supporting us in everyway possible, whether financially or through prayers or even both! Believing in our work among Arab women.

Through you we were able to produce 52 radio episodes, conduct 3 local training seminars and 2 regional conferences, train 247 women and correspond with 950 people. We pray that "... God shall supply all your need according to his riches in glory by Christ Jesus". Php 4:19

As we celebrate Jesus' birth, we continue to put our trust in Him for the years to come, for He is not only "the reason for the season" but also the "the door for salvation, the source of strength and the foundation of all good"!

Merry Christmas to you all,

AWT family

"Being a woman of influence"

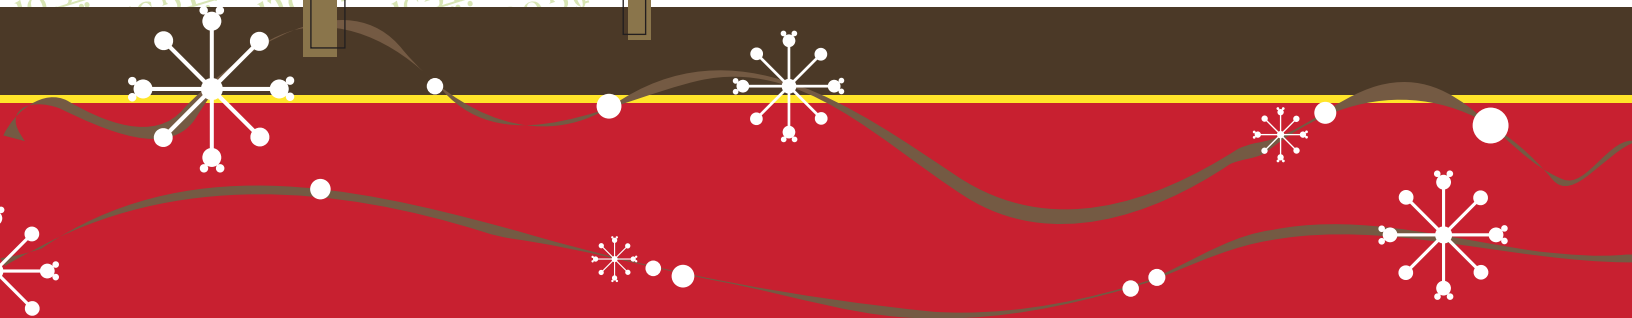

Zarqa - Nov. 09

AWT had the privilege to teach about being a woman of influence to a group of 30 women in their women's meeting, in highly populated city called Zarqa.

The training had a great impact on these women. They were very thrilled to learn practical ways to help them be influential at home, church and in the lives of their families.

Some of these women were school teachers. One of them said: "The topic is very essential and I'm excited about the influence I can have on my students and how I can be role model for the younger generations".

AWT staff also had the chance to pray with these women, demonstrating to them the love of Christ, caring about their needs and bringing them to the feet of Jesus through prayer.

Impacting the community

Recently instead of interviewing AWT over the phone by a local radio station, who is using our Arabic website as a main source of information for one of their shows, This time, we were interviewed face to face on air.

The host of the program said: "AWT Arabic website deserves to be the top best website for women. Its very rich topics and values cover all aspects of a woman's life. In our local station we share the same goal with AWT Arabic website, which is: making a difference in women's lives for the best".

We praise God for this chance of reaching the local community through this local FM station.
