Glory to God in the highest

We are about to fold a whole full year, a victorious year blended with challenges and many hours of praying.

It was a year that will never be forgotten because of God's blessings, in which we experienced His provision and power of change.

When the political tension is accelerated in one country, it definitely affects the neighboring countries in many ways such as its economy, political system, immigration of refugees and security. Despite the rise of tension in the Arab region including Jordan, where AWT ministry is located, we can still see how the Lord bring opportunities to us to serve Him. More people are wondering about their future and destiny, they are searching to know what they need to do and how to face their eternity. Indeed the harvest is plentiful, urging us to work while it is day, telling people there is a wonderful way, come to Jesus and learn what His promises say.

Have you ever heard someone say "No man is an island"? it is a quote that holds truth. AWT would not be the ministry it is today without the hard work, team work and the dedication of every individual who gave to the ministry or worked in it. You have extended Christ's hand and played your role efficiently as part of His united body. Thanks to each one of you who is sponsoring, donating or volunteering with us at AWT.

Luke 2:14: "Glory to God in the highest, and on earth peace, good will toward men".

We wish you a very Blessed Christmas and a Happy New Year.

Strategic leadership in the midst of Crises

November 15 – 18, 2012

We cannot be thankful enough for the amazing opportunity God gave us to be united with our sisters in leadership roles from 15 Arab countries in one place through our Annual Network Conference.

We felt God's hands orchestrating the whole event down to the smallest details. Our two main speakers Dr. Samih Aziz (Egypt) and Mr. Hussam Fakhoury (Jordan) worked in harmony as they taught about "Strategic Leadership through Crises". The teaching included Passion, Vision, Goals, Character building through Crises along with God's role and Biblical perspective on Crises.

Women were able to apply the skills they have learned through writing a strategic plan for their ministries and using it as a future reference when needed.

We were overwhelmed by the Lord's presence through the precious times of prayers and fellowship with these amazing women of God. We could feel how God has provided the teaching at the right time and for the right people!

Words from the heart

- **Sanaa / Morocco:** "It was important for me to learn how to write down my vision and how to set goals according to God's will and start to work being lead by that"
- **Farah / Palestine:** "Thank you for the opportunity to be with women from many Arab countries where we shared experiences in a rich way!"
- **Nada / Libanon:** "This conference has made a difference to my heart! It gave me a new perspective on how to read my Bible and study it"
- **Basma / U.A.E.:** "My heart & vision is to be involved in helping people of God reach their potential, becoming free from their bondage and insecurities. Reaching and fulfilling what God has called them to be. I want to be all that He has called me and empowered me to be"
- **Laila / Algeria:** "The Lord has heard my cry and my need. He brought me to this conference & has spoken to me & met my needs"

The East and the West; one body!

We were blessed by the presence of a team from Hillcrest Baptist Church, Pensacola, Florida in our conference. The ladies brought our hearts and minds closer to God through massaging the ladies' hands along with prayers. The mix of cream and prayers was overwhelming due to showers of love and loads of blessings over our ladies, while men did a great job in painting our offices, blessing us with wonderful inspiring colors of paint.

Praises:

- a. For new doors and opportunities God is opening to serve with Arab women.
- b. For the women who attended our Network Conference.
- c. For you! Your support and prayers has kept us going and helped us fulfilling God's calling.
- d. For God's faithfulness throughout the year 2012.

Prayer Requests:

- a. The unrest in the Middle East and North Africa. Peace, stability and wisdom to our leaders.
- b. Arab women, to find true peace during this time of instability. Although, they are the victims of poverty and wars, but they are the main key to the whole family.
- c. Direction and wisdom as we mark our calendar for 2013 ministry activities.
