## Hope for the Heart Book Launch

In 2011, AWT partnered with Hope for the Heart ministries in Plano, TX to translate and publish

June Hunt's Biblical Counseling Keys. We began by publishing the topics by subject as a gift book women can use in their daily lives. The first three volumes included pre-marriage, marriage and family topics and the first run was completed in April. In May, we launched the books in Dubai, Iraq and Lebanon.

## Is your love bank empty or full?

AWT was invited to teach two sessions to 65 young girls in the city of Zarqa. We talked about early childhood and signs of empty love banks. Love is like money... just like we have to make deposits in our bank account in order to withdraw money from the bank, we also have to make deposits in our love bank so that others can withdraw our love. In our second session we talked about the importance of sharing and dealing with our feelings. The girls were able to interact and talk about their problems they face inside their homes and outside. Many of them face different forms of violence from their immediate family. What a great opportunity to touch their lives, pray for them and fill their love bank!

## Celebrating God's Goodness!

### We are happy to finally write to you from our new offices!

We moved to our new location at the beginning of May. Every new blessing we are experiencing is the extension of the Lord's faithfulness to this ministry throughout the years. Although many details on the inside of our offices need to be completed, we are happy to finally feel settled. Even though the new office building has provided us with a larger working space, we are most excited about the privilege of having our own training room where we will be able to meet and interact with more women.

Our dear friends, we are celebrating God's goodness and faithfulness in every new step! We can live the words that Paul wrote to the Philippians "... being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus" Philippians 1:6

So, **THANK YOU** from the AWT family to all of you! **THANK YOU** for your spiritual and financial support... blessings have a different taste when shared with others and not alone! God bless you all!

## Inner Life Management Conference – Iraq

H: "I was able to see through the sessions the reasons behind the fears I had in my life, and how important it is to talk about them and deal with them."

T: "This conference has helped me be more connected to my inner self and understanding myself in a better way! I am motivated to learn more and study to be a healthy person more and more."

We were so excited to partner with "I'm a Woman" center in Lebanon to go to Erbil, Iraq to train Iraqi women leaders from different parts of the country. We believe that they are playing an important role in the great change that is coming on the Church in that land. We were honored to have two professional counselors assist us with the conference. Mrs. Suzy Lofty, from Egypt was our main speaker on Inner Life Management and Mrs. Nada Haddad from Lebanon who led the daily devotional and counseled women. We went on a journey with 31 women to help them discover how early childhood and families affect our personalities and character.
