AWT Ministry Celebrating the Harvest

Happy Thanksgiving

**Dear Family, Friends & Partners,
A thankful heart pleases our Lord. We come to him with the harvest of thanksgiving for His goodness and mercies.**

The reality around us sends out signals of insecurity, war, fear & confusion. We trust in the Almighty and we see in the eyes of faith another "reality"! A reality of love, salvation, inner peace and restoration.

Rejoice with us for His faithfulness and join your hands with us to pray for the things we believe will turn into praises!

Arabs and Thanksgiving

In the Arab culture we don't celebrate Thanksgiving, although there are many families and friends who celebrate it in small gathering.

As AWT our Thanksgiving celebration is YOU! We dedicate this letter to thank the Lord for your life, prayers and support. Thank you for believing in us, inspiring and encouraging us in many ways. You will always be our faithful partner.

God bless you.

Praises

1. Praise the Lord because AWT is blossoming through Technology. July marked the one year anniversary of the redeveloped website and creation of our Facebook group. The new website has had 20,808 visitors of which 18,390 were new users. Our Facebook group has around 5,000 members of which approximately 40 are extremely active on the site. The Arabic Bible has been downloaded 23 times in the past 3 months. We have also learned that Saudi Arabia continues to be in the top 3 countries that uses the website.

2. We praise God for having the opportunity to invite and build relationships with women from the community around us through our "Jordan Women Program" The purpose is to change the wrong practices and wrong thinking that is dominated by the shame and honor culture.

The first workshop focused on "Domestic violence". We discussed the different age stages for children and how to introduce the sexual education and protect our children away from shame mindset.

3. Praise the Lord for our new partnership with Hope For The Heart Ministry, based in Plano, Texas. The first set of three books of the Biblical Counseling Keys for June Hunt was translated to Arabic and launched in Jordan, Lebanon and Iraq. The next set will be published next spring.

3. We praise God for the freedom we have in Jordan to be able to worship the Lord. We are thankful for the unity we are witnessing among the different evangelical churches. We are more aware of the power of prayer for our lives and country.

4. Praise the Lord for new Operation Manager - Maran Maayah. Both AWT management and the team are excited about the new blessings coming ahead and how the Lord will continue to use us to reach and equip the Arab women.

Prayers

1. Our Financial needs: Remaining Ministry Budget for 2012 needs \$ 40,000

2. Pray for Hakim, an believer from Iraq who is persecuted because of his faith in Jesus Christ. Pray so he would stand firm in His faith, find favor in the eyes of his family & people around & for him to see these people through God's eyes and reach them with God's love.

3. And for Hiba, who lost her mom for cancer. She is filled with anger and has many addictions. AWT has been closely following up with her since the beginning of the year.

4. Pray for a special blessing over our Annual Network Conference so that women leaders who are attending would be encouraged and equipped to do God's work and influence more women around them each in her own country.

5. Pray that JORDAN will stay protected from all evil and terrorist attacks. Pray that it will continue to stay a safe place where Arabs turn to in the times of need.
